CARSEM SnPb line closure.

Comments

Dear Valued Customer,

We regret to inform you that we will be discontinuing SnPb products due to a line closure at Carsem. Unfortunately, our vendor will no longer be able to manufacture these options, and despite our efforts to find an alternative we have been unable to secure a replacement.

Although we understand this news may be inconvenient, we want to assure you that we are committed to providing you with alternative solutions. We are willing to offer lead-free options for customers who still wish to pursue this route. Lead-free options offer a long-term solution in line with environmental concerns, as well. Please note that these alternatives will be subject to availability and should you have any questions or need assistance in transitioning to a lead-free alternative do not hesitate to reach out to us.

We appreciate your understanding in this matter and apologize for any disruption this may cause. We value your business and look forward to continuing to serve you.
