Notification Category:

☐ Non-Conforming Material ☐ Minor Design Change ☐ Product Specification Change ☐ Minor Shipping/Labeling Change	☐ Minor Wafer Fabrication Process Change ☐ Minor Manufacturing Process Change ☐ Material ☒ Other Addition of Test Facility
--	--

Purpose of Notification:

We are adding Unisem in addition to PSC for test location.

Technical Summary/Details:

PE42422 (ordering code PE42422MLAA-Z) was production released with parts final tested at Peregrine Semiconductor's corporate headquarters in San Diego, CA (PSC). Same qualified tester has been added to Unisem in order to have dual testing capability, PSC and Unisem.

There is no change in the final test program or the production test hardware. There is also no change in the part ordering codes.

Customer Acknowledgement:

Customer should acknowledge receipt of this notification via email to the Peregrine Account Representative within 30 days of receipt. This is a notification of a minor change only, customer approval is not required.
