

Product End of Life Notification

Customer: Market

CTS Part Number: VF901723-38.400MHz and VF901775-38.400MHz

Description: 38.400MHz TCXO

Dear valued customer,

CTS is announcing the discontinuation of the subject VF901723 and VF901775 TCXOs due to raw material availability. Unfortunately, a key component utilized in the assembly was produced by a company that has ceased operations and was unable to extend to us a last time buy.

CTS recommends 5910001-38M4000 as an alternative. Although this device is a different mechanical form factor, it offers an industry-standard 14x9 mm footprint with a typical noise floor of -172 dBc/Hz.

5910004-38M400

CTS is offering a last-time buy opportunity of up to 9000 pcs of the VF901723-38.400MHz TCXO (the final exact quantity will be yield dependent). Last-time buy orders will be processed and shipped on a first-come, first-serve basis.

We apologize for the inconvenience and the sudden nature of this action. However, due to the unanticipated obsolescence issue, CTS has no alternative.

Sincerely,

PCN Team
