Customer announcement of HUBER+SUHNER SMA products phase out

Dear valued customer,

May we inform you that we plan to phase out the products as listed below. In order to keep any inconvenience to a minimum we ask you to review your current demand. Please amend your future orders with the replacement products as specified in the table below.

Product Information			
Item number	Item Description	Substitute Item	Remark
22543359	82_SMA-50-0-1/111_NE	85201191 - 82_SMA-50-0-21/111_NE	Lead-free material
22651748	24_SMA-50-2-14/111_NE	85201112 - 24_SMA-50-2-116/111_NE	Lead-free material
22658792	85_SMA-50-0-101/111_NE	85201239 - 85_SMA-50-0-103/111_NE	Lead-free material
22640042	11_SMA-50-2-5/111_NE	85199138 - 11_SMA-50-2-116/111_NE	Lead-free material
22651455	16_SMA-50-2-105/111_NE	85199312 - 16_SMA-50-2-114/111_NE	Lead-free material

The new lead-free products maintain the form, fit, and function of the previous products. For more information about the new products please visit: [SMA lead-free connectors](#)

Nevertheless, if you still need the previous products, we want you to offer a **last order date**.

Last order date: 31.12.2025

Please discuss the details (e.g. MOQ) with your local sales representative. We kindly ask you to call off the ordered quantity at once (no delivery splitting).

For detailed product information about the new/substitute products, please refer to the new data sheets. Do not hesitate to contact local representative or engineer in case of any questions.

Thank you for your continuously support.

Yours sincerely

HUBER+SUHNER
