Change Notice KAVX PCN-397

MLO Components (LP, BP, HF, MLXX Series)

MLO Components discontinued (DP, HL, HLQ, HLC, ML, X2A, X2B)

Dear Valued Customer,

Thank you very much for your great and continuous support for business with KYOCERA AVX.

This is an official notification that the KAVX partner supplier for MLO fabrication has been acquired by another company. As part of this merger the manufacturing location of these components will be moved. We have worked with our current supplier to ensure a last time buy on the current manufacturing line is possible. In parallel, we are working with other companies to establish a continued supply of components.

To ensure a successful transition, we ask that you review your upcoming needs for the next 2 years with your KAVX sales contact, so we can work with our supplier to purchase the necessary goods to cover your needs. Please supply this information by December 6, 2024 and we will come back to you with further details and confirmation.

This will also serve as a PCN notification regarding discontinuation the following components: Capacitors, Std. Diplexers, Inductors and Crossovers.

Again, we apologize for any inconvenience.

1. Product Type, Changes, and Customer/ KYOCERA AVX/Alternate Part Numbers:

| Change | Before Change | After Change |
|-------------------------|--------------------|--------------|
| MLO Fabrication Partner | Subtron Technology | TBD |

2. Reasons/Background:

Current supplier purchased by a larger company. Consolidating operation.

3. Products Before and After the Change:

As this change is not lead by KAVX, we do not have a date at this time. We will share once available. We will be evaluating additional suppliers to ensure consistent supply in the future.

4. Change Schedule:

| Change Event | Target Completion Date | Comments |
|----------------------------------|------------------------------|---|
| Build of Inventory | 3/31/2024 | Last time buy needed by 12/6/2024. Recommend 2 years minimum. |
| Last Delivery (before change) | | Per your delivery request. |
| First Delivery (after change) | TBD | |

5. Method, if applicable, of identifying changed product: None

6. Feedback Due:

Feedback needed by 12/6/2024.

Please indicate your feedback to KYOCERA AVX in writing by this feedback date.

7. Contact:

Should you have any questions or concerns, please contact

Mohammed Abu-Naim mohammed.abu-naim@kyocera-avx.com

Thank you.
