ATTN: Quality/Purchasing Manager

Subject: Alternate assembly source. Alternate air cavity plastic package solution.

PCN #: PCN-01249

Dear Valued Customer:

This notice serves as formal notification that MACOM Technology Solutions is introducing the following product changes.

Addition of Unisem, Chengdu China as an alternate assembly site and addition of Ubotics as an alternate air cavity plastic package solution for the MAAP-011246, 2 Watt, 4-stage power amplifier.

These changes are being made to ensure continuity of volume supply.

Both Unisem Chengdu and the Ubotics air cavity plastic package solution are fully qualified solutions at MACOM.

MACOM anticipates no impact to customers as Form, Fit, Function and Reliability remain unchanged. The following products may be assembled at either or both assembly sites and use either or both package sources.

MAAP-011246
MAAP-011246-TR0500

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you have purchased one or more of the subject products in the previous two years.
