Subject: Additional source for passive products.

Dear Valued Customer,

MACOM Technology Solutions has a goal of providing redundant manufacturing capability for increased surge capacity as well as an uninterrupted supply chain.

In order to expand capacity and meet our commitment to customers, we are planning to extend the manufacturing scope at our additional source for passive parts in addition to the existing source in Vietnam. The additional source is located in Ho Chi Minh City, Vietnam and has been qualified for manufacturing passive parts since 2021. This pcn is for extending the affected part scope. Samples from the additional source will be available in early of June if required.

There will be no change in form, fit or function, as well as datasheet specs. Raw materials will also be the same, which will be provided from MACOM's approved existing suppliers.

The part numbers affected are:

- **MAPD-009918-C209C0**
- **MACP-011013-02**
- **MABA-010245-CT1160**
- **MACP-011068**
- **MABA-007237-ETC410**
- **MAPD-010038-C209C0**

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you have purchased one or more of the products listed in the previous two-year period.

Please contact your local sales representative if you have any specific questions.

Sincerely,

Aidan Mulcahy
Product Marketing Manager
