Subject: Additional test sites added
PCN #: PCN-01701

Dear Valued Customer,

MACOM Technology Solutions has a goal of providing multiple manufacturing and test sites for increased surge capacity as well as an uninterrupted supply chain. In alignment with this goal, we are pleased to announce an additional testing site for the parts listed below.

In addition to our current test site in Lowell, MA, we will begin testing parts at our facility in Hsinchu, Taiwan. Deliveries of the part numbers below, after March 31, 2024, may be tested at either test location.

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you have purchased one or more of the products listed in the previous two-year period.

The affected part numbers are:
