ATTN: Quality/Purchasing Manager

PCN-01710

Subject: Adding additional inspection and packing site.

Dear Valued Customer,

MACOM Technology Solutions has a goal of providing redundant manufacturing capability for increased surge capacity as well as an uninterrupted supply chain. In alignment with this goal, we are pleased to announce an additional inspection and packing site for the parts listed in the next pages.

In addition to our current sites, we plan to inspect and pack these parts at our long-standing Contract Manufacturer, Hana Semiconductor Co. Ltd, in Ayutthaya, Thailand. Hana is a valued, high-quality manufacturing partner for many MACOM products. After the change, the datasheet specifications will remain unchanged.

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you have purchased one or more of the products listed in the previous two-year period.

Please contact your local sales representative if you have any specific questions.

Sincerely,

Tom Galluccio
Director, Product Marketing
