**Subject: Adding additional assembly and inspection site.**

Dear Valued Customer,

MACOM Technology Solutions has a goal of providing redundant manufacturing capability for increased surge capacity as well as an uninterrupted supply chain. In alignment with this goal, we are pleased to announce an additional assembly and inspection site for the parts listed in the next pages.

In addition to our current sites, we plan to assemble and inspect these parts at our long-standing Contract Manufacturer, Hana Semiconductor Co. Ltd, in Ayutthaya, Thailand. Hana is a valued, high-quality manufacturing partner for many MACOM products. After the change, the datasheet specifications will remain unchanged.

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you have purchased one or more of the products listed in the previous two-year period.

Please contact your local sales representative if you have any specific questions.

Sincerely,

Paul Wade  
Senior Product Marketing Manager
