ATTN: Quality/Purchasing Manager

Subject: Wafer Fab Location change

PCN-01792

Dear Valued Customer:

The goal of MACOM Technology Solutions is to continually deliver high quality products and services that meet our customers' needs. We strive to offer products that are industry leading in terms of performance, delivery, safety and value.

In accordance with these goals, this communication is to inform you that once former Aeroflex Metelics material has been depleted, MACOM will be supplying this Beam Lead Schottky processed from our Lowell wafer foundry, for the following part number:

MSS30-242-B20

The product will be 100% compliant to the existing specification. There is no change to form, fit function.

You are receiving this notice because you have purchased this product in the past two years.

Please contact your local sales representative if you have any questions or require additional information.

Sincerely,

Cindy Lien
Marketing Product Manager
