**PCN-01853**

**Subject: Adding additional assembly site.**

Dear Valued Customer,

MACOM Technology Solutions has a goal of providing redundant manufacturing capability for increased surge capacity as well as an uninterrupted supply chain. In alignment with this goal, we are pleased to announce an additional assembly site for the part listed in the next pages.

In addition to our current sites, we plan to assemble this part at our long-standing Contract Manufacturer, Hana Semiconductor Co. Ltd, in Ayutthaya, Thailand. Hana is a valued, high-quality manufacturing partner for many MACOM products. After the change, the datasheet specifications will remain unchanged. The qualification report will be ready for request after May 31<sup>st</sup>, 2025.

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you purchased one or more of the products listed in the previous two-year period.

Please contact your local sales representative if you have any specific questions.

Sincerely,

Paul Wade  
Senior Product Marketing Manager
