PCN-01887

Subject: Adding additional back-end processing and test site.

Dear Valued Customer,

MACOM Technology Solutions has a goal of providing redundant manufacturing capability for increased surge capacity as well as an uninterrupted supply chain. In alignment with this goal, we are pleased to announce an additional back-end processing and test site for the part listed in the next pages.

In addition to our current sites, we plan to process and test these parts at our long-standing Contract Manufacturer, Hana Semiconductor Co. Ltd, in Ayutthaya, Thailand. Hana is a valued, high-quality manufacturing partner for many MACOM products. After the change, the datasheet specifications will remain unchanged. The qualification report is available upon request.

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you purchased one or more of the products listed in the previous two-year period.

Please contact your local sales representative if you have any specific questions.

Sincerely,

Paul Wade
Senior Product Marketing Manager

PCN Number: PCN-01887		PCN Date: MAY 16th, 2025
Title: Adding additional back-end processing and test site.		
Proposed 1st Ship Date: July 30th, 2025		Estimated Sample Availability: 5pcs MA8334-115-725 samples available now
Change Type:		
Assembly Site	Design	Electrical Specification
Test Site X	Assembly Process	Mechanical Specification
Test Process	Assembly Materials	Packing/Shipping/Labeling
PCN Details		
Description of Change:		
<p>MACOM has identified a second source to do the back-end processing and test the affected part. There is no change to the form, fit, materials, or performance of the device as a result of this change.</p>		
Reason for Change:		
Increase the flexibility and continuity of supply.		
Products Affected:		
<ul style="list-style-type: none"> • MA8334-115-725 • MA8334-116 • MA8334-116-700 		
Anticipated impact on Fit, Form, Function:		
Form, Fit and Function unaffected.		
Changes to product identification resulting from this PCN:		
None
