PCN-01895

Subject: Replacing the current substrate supplier with a new supplier.

Dear Valued Customer,

MACOM Technology Solutions is approving a new supplier to replace the current supplier Subtron in Taiwan who are exiting this market in order to maintain the supply of the finished goods which are built with the affected substrates and listed below. The new supplier is a well-established volume supplier for this technology and type of product. This change is being made to ensure continuity of supply.

The detail of the change is shown in the next pages. Qualification data will be available in September 2025. After the change, the datasheet specifications will remain unchanged.

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you purchased one or more of the listed products in the past two years.

Please contact your local sales representative if you have any specific questions.

Sincerely,

John Fenton
Associate Director Product Marketing
