ATTN: Quality/Purchasing Manager

Subject: New Die Configuration

PCN #: PCN-01982

Dear Valued Customer:

The goal of MACOM Technology Solutions is to continually deliver high quality products and services that meet our customers' needs. We strive to offer products that are industry-leading in terms of performance, delivery, safety and value.

In alignment with these goals, this notification is to inform you that a diode used in the construction of these devices has been depleted and no remaining material is available. A new configuration has been identified and will be used with no impact to form, fit or function of the finished good devices. In accordance with MACOM's customer notification policy, you are receiving this notification because you have purchased one or more of the following parts in the past two years.

LM200802-M-A-300	LM200802-M-A-300-R	LM200802-M-A-300-T	LM202802-M-C-300
------------------	--------------------	--------------------	------------------

Please contact your local sales representative or MACOM sales manager if you have any questions or require additional information.

Sincerely,

Paul Wade

Senior Product Marketing Manager
MACOM Technology Solutions, Inc.
