Subject: Product Discontinuance for selected MACOM RF Power Products and Replacements

PCN #: PCN-02000

Dear Valued Customer:

The goal of MACOM Technology Solutions is to continually deliver high quality products and services that meet our customers' needs. We strive to offer products that are industry-leading in terms of performance, delivery, safety and value.

In accordance with MACOM Technology Solutions' customer product discontinuance policy, this communication is to inform you that MACOM will be discontinuing the following GaN HEMT products listed in the table below and replacing them with equivalent products as noted. The replacement parts are in the same package, pin out and intended to replicate the parts being replaced. Samples of the replacements can be made available if needed. You are receiving this notification because you have purchased one of these part(s) in the past two years.
