Subject: Addition of second site for inspection and packing of the MASW-011107-DIE

PCN #: PCN-01220

Dear Valued Customer:

M/A-COM Technology Solutions has a goal of providing redundant manufacturing capacity for increased surge capability as well as uninterrupted supply. In support of this goal, we are creating additional capacity at our facility in Hsinchu, Taiwan for the inspection and packing of the following product.

MASW-011107-DIE

All materials, specifications, and standards remain unchanged. This change will not affect form, fit, function or reliability.

In accordance with M/A-COM Technology Solutions' customer notification policy, this PCN is designed to provide advance notice that, in the future, products you are purchasing may be inspected and packed at our existing site in Lowell MA, or at our facility in Taiwan.

Please contact me if you have any questions.
