Product Change Notice #032501

Type of Change:

<input checked="" type="checkbox"/> End of Life	<input type="checkbox"/> Material Change
<input type="checkbox"/> Facility Change	<input type="checkbox"/> Process Change
<input type="checkbox"/> Design Change	<input type="checkbox"/> Other

Part Series Affected: TKH45 and TKH55 (Full list of affected parts numbers included on next page)

Description of Change: Ohmite is discontinuing our TKH45 and TKH55 series.

Reason for Change: Last year, Ohmite announced a country of origin change for our TKH series, which also involved changing the product series from a thin film to thick film resistor. Due to this change, customers have discovered issues with solderability with the new TKH series changes. Ohmite is discontinuing the series while we investigate a new design that will not have these issues.

Effective Date: 03/07/25

Date Last Time Buy: N/A

Date of Last Time Shipment: N/A

Recommended Replacement: Customers who use the TKH series are encouraged to reach out to Ohmite to discuss possible replacement parts.

For further technical questions related to this PCN, please contact dchakraborty@ohmite.com.

Best Regards,

Joe Misulonas
Marketing Manager
