Subject: MAMG-100227-010C0L Changes

PCN #: PCN-01307

Dear Valued Customer:

MACOM Technology Solutions has a goal of providing redundant manufacturing capability for increased surge capacity as well as an uninterrupted supply chain. In alignment with this goal, we are making the following changes to the MAMG-100227-010C0L.

In addition to our current manufacturing sites, we will also begin manufacturing this part at our long standing Contract Manufacturer, Hana Semiconductor Co. Ltd, in Ayutthaya, Thailand. Hana has been a valued, high-quality manufacturing partner for other MACOM products.

Additionally, there will be minor changes to the part marking and lid attach epoxy (details on the following page).

In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you have purchased one or more of the following products in the previous two years.

MAMG-100227-010C0L

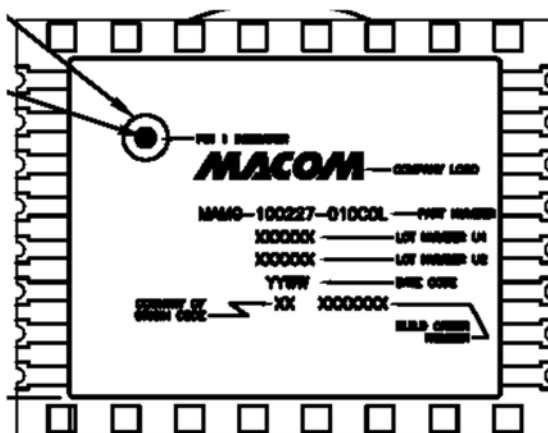

All specifications and standards remain unchanged. This change will not affect form, fit, function or reliability. Products assembled at Hana will begin shipping February 1, 2021.

Sincerely,

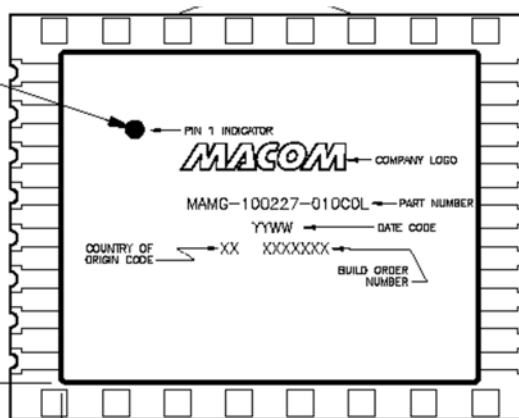

Steve Peters
Program Engineering Manager
MACOM Technology Solutions, Inc.
Tel: (919) 624-4661
E-mail: steven.peters@macom.com

The lid attach epoxy is being changed from HYSOL EO1016 to LOCTITE epoxy 362.

The part marking will also be changed as follows:

Old Marking

New Marking
