Subject: Change in Moisture Sensitivity Level (MSL) – XP1035

PCN #: PCN-01388

Dear Valued Customer:

The goal of MACOM Technology Solutions is to continually deliver high quality products and services that meet our customers' needs. We strive to offer products that are industry leading in terms of performance, delivery, safety and value.

In accordance with these goals, this communication is to inform you that MACOM has upgraded the Moisture Sensitivity Level (MSL) from MSL 3 to MSL1 on the following devices. The purpose of this change is to increase the floor life of these devices which reduces the amount of special handling and processing required by the end user.
