ATTN: Quality/Purchasing Manager

Subject: Removal of blue paint from package body of parts.

PCN #: PCN-01535

Dear Valued Customer:

The goal of MACOM Technology Solutions is to continually deliver high quality products and services that meet our customers' needs. We strive to offer products that are industry leading in terms of performance, delivery, safety and value.

In accordance with these goals, this communication is to inform you that MACOM will be removing the blue paint from the body of the following Part numbers. These are ceramic packages and the paint is not required. The cathode mark will still be utilized to assure correct polarity.
