TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed below / on the attached sheet(s).

General Product Description

TE Temperature Sensors, TSYS01 product series

TCPN – G-NICO-018 and G-NICO-023

Description of Changes

Due to a change in our manufacturing site from Dortmund, Germany to Berlin, Germany, we have had technical challenges in re-establishing our manufacturing line of TSYS01 digital temperature sensors. We are currently working to re-qualify our manufacturing line at our Berlin site. We expect product will begin shipping October 16th, 2023, in limited capacity, with ramp to full capacity in January 2024.

Reason for Changes

TE announced in 2021 to transfer manufacturing activities at our Dortmund, Germany site to our facility in Berlin, Germany, following non-negotiable expiration of the lease of the said location by the landlord.

Estimated Dates

Expected date of first samples	N/A
Last delivery from current site	2022
Start of production at new site	August 2023
Start delivery to customer from new manufacturing site	October 2023
