- ☐ Additional manufacturing site established.
- ☐ Process Change
- ☒ Product Change - Piece parts change Notification
- ☒ This change is notification only.
- ☐ Customer authorization is required. Please confirm acceptance by email or other written communication.

Description of Change: Date code laser marking location change

Reason for Change: In order to enhance the production efficiency, date code laser marking location was changed from previous housing side surface to top of cover.

Implementation Date: Will start to ship out the new version product since Sep.1 2021.
Last time order for old version will be effective until Jun.10 2021.

- Notes:
1. The comparison of the contactors between the new and current suppliers is shown on Table 1 & 2.
 2. CTS performed product inspection and reliability tests to ensure specification conformity and product performance.
 3. Qualification samples and a reliability report are available upon request.
