Subject: Product Change Notice

Product: 48V, 165F (SM0165-048-ATH)

Dear Valued customer,

This letter is to notify you of a change to the color of the top plate of LICAP's 48V, 165F module. This change is cosmetic only, and does not affect the form, fit or function of the module. The change was made to improve consistency of the color of the top plate from our supplier. Modules produced after June 12, 2021 will have the new top cover plate. Please contact your sales representative with any questions.
