Product group:	SEMIPACK, SEMITRANS	Rev.:	0
No.:	PN21-032 Alternative supplier for silver plating	08 May 2021	

Dear valued partner,
Thank you for using SEMIKRON products. Within our continuous improvement activities we are working to enhance performance, quality and reliability of our products. This notification is to inform you of a minor change, where no acknowledgment is required.

Subject of change: Additional supplier for silver plating of terminals and connectors

SEMIKRON product type: Multiple SEMITRANS 2,3,4 and 9 types
Multiple SEMIPACK 2 fast diode module types

Description of change: Introduction of additional supplier for silver plating of terminals and connectors

Reason for change: Securing of supply chain

Impact of change: No change of form, fit and function. Material properties as well as material composition remain unchanged. No difference in the visual appearance of the silver plating.

Identification of change: By date code

Time schedule for change: Introduction in the production from CW31/2021

Qualification: According to SEMIKRON standards
