<b>CHANGE:</b> This PCN serves as formal notification that Sequans is discontinuing the shipment of US130Q and VZ120Q modules. Our intent is to support this product for a limited time in order to allow for future planning by our customers, therefore, we offer a last time buy opportunity of US130Q and VZ120Q to support your needs. The orders will be served as "first order, first served" until US130Q and VZ120Q inventories get exhausted. We recommend customers to consider our newest Calliope 2 GC02S1 family for future designs.				
<b>METHOD (If applicable for identifying changed product):</b> N/A				
<b>REASON FOR CHANGE:</b> Decreasing demand on US130Q and VZ120Q modules leading to EOL and replaced by our newest Calliope 2 GC02S1 family.

Note: Customer has to acknowledge receipt and respond within 30 days of the PCN delivery. A lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change.

After acknowledgement, a lack of additional response within the 90 day period constitutes acceptance of the change. An acceptance response should be submitted to SEQUANS in a timely manner; i.e., customer should not wait till the end of the 90 day review period before responding if the response is known before that time.

After receipt of all requested qualification reports, additional data to clarify the PCN, and/or samples, the customer shall have at least 30 days to review this qualification data and test samples. A lack of response by the customer after these 30 days constitutes acceptance of the change.
