TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description

TE Sensor Position (Rotary and Linear High Reliability Potentiometer) products manufactured out of Hampton, Virginia, USA.

Description of Changes

TE is changing suppliers for a component material used within TE's proprietary inks. There is no change to form, fit, or function of deliverable end products. TE will perform qualification/validation aligned with the plan of record requirements, which includes 100% resistance measurement to ensure compliance.

Reason for Changes

Existing supplier is no longer offering this component material.
