PROBLEM: WHAT ARE MY OPTIONS FOR A HIGH PERFORMANCE RF CABLE?
SOLUTION: TRU HIGH PERFORMANCE RF CABLE CONFIGURATOR.

Build cables to your specifications:
With the new TRU online Cable Configurator you can build the right cable assembly for your specific requirements.

The Cable Configurator takes you through a series of filtered fields where you specify your Primary Application, Frequency and Length.

Choose either TRU Standard specs or specify your own electrical, mechanical or environmental specs.

From there you specify connector and cable types.
It’s an easy to follow, prompted process that results in a completed review from which you can Request Assistance from an applications engineer or Request a Quote.
