APPLICATIONS FOR MEDICAL INDUSTRY

Commercial LED Heat Sinks

Thermal Extrusion Heat Sinks for Electronic Medical Devices

Aluminum Extrusions for Operating Bed Frame & Clamps

Heat Frames, Front Panels, Enclosures for Ruggedized Devices

Liquid Cooling for MRI/XRAY Machines

Radiology Devices
- MRI or XRAY
- Radiation Therapy
- Ultrasound Machines

Surgical and Therapeutic Devices
- Electro surgery Devices
- Photonics, LEDs
- Lasers
- Structural Operating Equipment

Bio-analysis Equipment
- DNA Thermal Cyclers
- Blood Analyzers
- Blood Warmers
- Therapy Devices
