

Wolfspeed® Product/Process Change Notification

PCN Number: PCN-00058
PCN Type: Informational

PCN Issue Date: May 1, 2023

PCN Title

Change in Discrete Products from Cree Logo to Wolfspeed Logo

Description of the Change

This informational notification is to inform Wolfspeed's Discrete customers that we are changing product markings from the Cree logo to the Wolfspeed logo.

On October 4, 2021, Cree officially changed the company's name to Wolfspeed. Information about that announcement is available in the official press release. As such, *CREE-PCN-1340 Changes to Cree | Wolfspeed Name, Legal Entity, and Branding*, was issued to customers, distributors, and manufacturer representatives about this change on October 5, 2021. Figure 1 shows an example of the logo change seen in discrete power devices resulted from the above announcement.

Benefit of the Change

This change will harmonize our branding to support the company name change.

Anticipated Impact

No customer action is required. There is no change to product form, fit, function, or reliability.

Implementation Date

As this is a purely cosmetic change, with no impact to the product, no new qualification report or samples are available. Parts with the Wolfspeed logo were released to customers during the beginning of the year 2022.

Implementation of the change will be phased in over several months, as material with Cree product marking is exhausted and retired.
