About Lantronix
Lantronix, Inc. (NASDAQ: LTRX) is a specialized networking company providing M2M (machine to machine) and IoT (Internet of Things) solutions. Our products deliver secure connectivity, device management and mobility for today's increasingly connected world. By networking and managing devices and machines that have never before been connected, we enable our customers to realize the possibilities of the Internet of Things. Founded in 1989, Lantronix pioneers robust, intelligent and easy to deploy solutions for mission critical applications in a wide range of industries, including data center, medical, security, industrial, transportation, retail, financial and government. Lantronix is headquartered in Irvine, California, with offices in Europe, Asia and Japan. For more information, visit www.lantronix.com.
