

The technical drawing shows two views of a bolt assembly. The top view is a side elevation of a bolt with a hexagonal head and a threaded shank. Dimensions include a head diameter of 16 mm, a head width of 8 mm, a shank diameter of 10 mm, and a total length of 42.2 mm. A section line A-A is indicated. The bottom view is a cross-section labeled 'A-A' showing the internal thread of the nut. It includes a dimension of 16 mm for the outer diameter and 10 mm for the inner diameter. Below the drawings, the material specification '(S470-42SF)(h)' is noted.
