**R413815117**    **ATTENUATOR: SMA.86 15DB 12.4GHZ 2W 50ohms**

## Product Specifications

|                        |                                           |
|------------------------|-------------------------------------------|
| Part Number            | R413815117                                |
| Description            | ATTENUATOR: SMA.86 15DB 12.4GHZ 2W 50ohms |
| Family                 | Fixed attenuator                          |
| Series 1               | SMA                                       |
| Mating Style 1         | Plug                                      |
| Series 2               | SMA                                       |
| Mating Style 2         | Jack                                      |
| Product Type           | N/A                                       |
| Max Frequency (GHz)    | 12.4                                      |
| Frequency Range (MHz)  | N/A                                       |
| Frequency Range (GHz)  | N/A                                       |
| Attenuation Value (dB) | 15                                        |
| Nominal Power (W)      | 2                                         |
| TechnologyType         | N/A                                       |
| Datasheet              |                                           |
