1 Affected product versions

Product order code	Successor product order code
SARA-N310-00X	

All orders of the above listed product placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

2 Reasons for discontinuation

The component suppliers have announced an end-of-life (EOL) schedule for the power amplifier, RF switch, and RF filter used in the SARA-N310. Limited component availability is expected before discontinuation, with no pin-to-pin compatible alternatives identified.

3 Customer impact and recommended action

u-blox recommends migrating from the SARA-N310 to the LEXI-R10 series modules. These modules are based on LTE Cat 1bis technology and offer improved power efficiency, better network availability, and additional features.

4 Schedule

Last-time-buy date	Last shipping date
19-Mar-2025	31-Dec-2025

5 Contact

We thank you for your understanding and assure you of our very best support. If you have any questions, please contact your nearest u-blox sales team.
