2 Reason for discontinuation

NINA-B111-03B and NINA-B112-03B, are based on software releases that have since been superseded by newer versions. To guarantee that all products are delivered with up-to-date software, incorporating stability improvements and bug corrections, the NINA-B1 product versions shown above will soon be discontinued.

3 Customer impact and recommended action

- Successor products are pin-to-pin compatible to its predecessor.
- Putting successor products into use does not require any specific actions; check with u-blox support to find out if paperwork is necessary to fully maintain approvals and certifications.

An end-of-life product can be upgraded with the firmware of successor product.
