3 Description

The SRRC certificate for modular approval of BMD-350 in China expires on August 28, 2025. This means that the SRRC ID is not allowed on products placed on the Chinese market after the expiry date. The BMD-350 data sheet [1] has been updated accordingly.

4 Schedule

BMD-350 SRRC expiry date	August 28, 2025
---------------------------------	------------------------

5 Customer impact and recommended action

- SRRC certificate is not valid after August 28, 2025.
- The SRRC ID must be removed from any product marking and/or documentation that is not already on the market before the expiry date.
- Products are not allowed to be placed on the market referencing the expired CMIIT ID after August 28, 2025.
- Customers are advised to review their needs to have their product certified for the Chinese market.
